TAYLOR®

430

Frozen Beverage Freezer

Single Flavor

Features

Vary your menu by offering shakes and smoothies or frozen cocktails, fruit juices, coffees, cappuccino and tea slush beverages, all served at the desired thickness.

Freezing Cylinder

One, 4 quart (3.8 liter).

Mix Hopper

One, 14 quart (13.2 liter). Refrigerated to maintain mix below 41°F (5°C). Approved for dairy and non-dairy products.

Indicator Lights

Add Mix light alerts the operator to add mix. When the Mix Out light flashes, the unit automatically shuts down to prevent damage.

Automatic Consistency Control

A specially designed viscosity control automatically maintains superior product quality. An adjustable control allows the operator to serve a wide variety of frozen beverages at the desired thickness.

Shown with optional decals

Approval Mark Note:
The Approval marks shown below may not apply to every model configuration. Approvals may vary based on Voltage, Model Option and Accessory selection, please contact your local distributor for more information.
