TAYLOR®

Item No. _____

C717

Soft Serve Freezer

Twist, Heat Treatment

Features

Offers all the popular soft serve variations, from low or non-fat ice creams to custards, yogurt, and sorbet. Serve two separate soft serve flavors or an equal combination of both in a twist.

Heat Treatment System

Provides a daily heating and cooling cycle to safely maintain dairy products up to 28 days before a complete disassembly and cleaning is required.

Freezing Cylinder

Two, 3.4 quart (3.2 liter).

Mix Hopper

Two, 20 quart (18.9 liter). Refrigerated to maintain mix below 41ºF (5ºC) in Auto and Standby modes.

Indicator Lights

Digital readout displays hours since last brush-cleaning to ensure product safety. Mix Low light alerts operator to add mix. Audible alarm may be enabled to sound when mix is low. When the Mix Out light flashes, the unit shuts down automatically to prevent damage.

Touch Screen Controls

Microprocessor touch controls are embedded in a durable tempered glass panel. Multiple languages are selectable. Viscosity is continually measured to dispense consistent quality soft serve desserts. Temperatures in the hoppers or freezing cylinders may be displayed at any point of operation, in either Fahrenheit or Celsius. Draw counter allows operator to view number of servings dispensed.

Standby

During long no-use periods, the Standby feature maintains safe product temperatures in the mix hopper and freezing cylinder.

Two Locking Casters

Front casters have a locking feature for operators to keep equipment in place. The lock can be released to move the equipment for cleaning.

Door Interlock System

Protects the operator from injury as the beater will not operate without the dispensing door in place.

Freezer Door

A specially designed thermoplastic door allows quick ejection of product with a simple movement of the draw handle. Self-closing draw handles are standard.

Approval Mark Note:
The Approval marks shown below may not apply to every model configuration. Approvals may vary based on Voltage, Model Option and Accessory selection, please contact your local distributor for more information.
